

LAST DAY OF SUMMER ULTIMATE TREASURE HUNT!

CLUE #1

I have a door but I'm not a room.
I hum all day but never sing.
I keep summer treats from melting.

CLUE #2

Soon you'll need me every morning.
I help make your smile sparkle,
but I never say a word.

CLUE #3

During summer I was a place to relax.
Soon it might become your favorite spot
for avoiding homework... or watching TV after it's done!

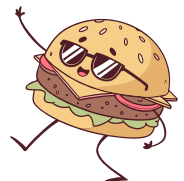

CLUE #4

I'm not alive, but I have a personality.
I'm not a stress ball, but squeezing me is the whole point.
FIND ME!

CLUE #5

I'm full of food, but I'm not a refrigerator.
I don't have a menu, but you'll find plenty of things to munch

CLUE #6

I'm not a gate, but I let you pass.
I'm not a road, but I lead you outside. WHERE AM I?

CLUE #7

Think back to your favorite summer days.

Where did you run, play, laugh, and spend time under the sun?

CLUE #8

Every night you visit me. Every morning you leave me.

Soon your alarm clock will make leaving me much harder!

CLUE #9

Summer gave you plenty of time
to play your favorite games.

Clue #10

A new school year means new ideas, new stories, and new things to learn.

Find the place where words come alive without anyone saying a thing.
